

Dzień Ziemi to akcja prowadzona corocznie wiosną, której celem jest promowanie postaw ekologicznych w społeczeństwie. Organizatorzy Dnia Ziemi chcą uświadomić politykom i obywatelom, jak kruchy jest ekosystem planety ludzi. Apel na temat Dnia Ziemi przygotowała klasa IVa pod kierunkiem pani Ewy Bielawskiej, a pokaz mody ekologicznej przygotowała klasa IVb pod kierunkiem pani Katarzyny Przygodzkiej.
